The Senior Hall is just another hall without the Seniors.

For everything there is a season, and a time for every purpose under heaven.

Our time is the future with memories of the past. A time to be born, and a time to die: New friends, new faces, a new school. We were new. Our first elections proved to be a new experience. The election assembly was highlighted with yells, screams, and paper airplanes. Dickie Bradshaw was elected our first class president. Our class chose purple and gold as our colors and the unicorn as our mascot. Our homecoming float didn't make it past the back of the stadium. Lisa Bryan was our Homecoming attendant. It was a time for old ideas to die and new ones to be born.

A time to seek and a time to lose: Frank Warren was elected our president. Our big project was the Freshman Fair. The Fair included a pizza dinner and a successful dance. Christmas became special at Cox that year. Omnibus became a first. Nancy Magee was our Homecoming attendant, and our float made it around the track. It was a time to lose our shyness and a time to seek our place at Cox.

A time to break down, and a time to build up: Linda Hall led our class as president. Homecoming was highlighted with our giant shoe and Peggy Majer was our attendant. We won the spirit jug again, thanks to our gorgeous male cheerleaders. We were the ones serving the Seniors on Senior Nite. Trips to Europe and becoming Virginia's wrestling champions made the year special. It was a time to break down old ideas of a Sophomore slump and build for our two most important years to come at Cox.

A time for war and a time for peace: Terri Manfredi led our class as president that year with a Kidnap Party to welcome our new members. Our homecoming float was a covered wagon and our attendant was Karen Styron. It was our first time for Powderpuff football and putting on our Junior Class Talent Show, Mission Incredible. But our eyes were looking in another direction. It was Ring time. Our Ring Dance began shaky as our visions went up in smoke. Our ballroom burned down and we rushed to save our dance. However, with spirits high, The Junior Class presented "Echoes" our very own Ring Dance. It was this year that we welcomed our new principal Mr. Davis. It was a time to end a war and a time to begin an era of peace. The time is the present, a time to keep old projects such as the Kidnap Party and Powderpuff. Stephanie Garber became the Homecoming Queen and Anne Guthrie and Peggy Majer were her attendants. The time is the future: It is a time to embrace as we say goodbye to friends at graduation. And it is a time to weep, as we prepare to say goodbye to Cox.

Coach Armstrong shouts instructions from the sideline.

Late summer, early autumn brings excitement to Tidewater in the form of high school football. Cox High was no exception.

Daily workouts under hot August skies were all in preparation for the Falcons' season opener against P.A. Coaches Habit, Armstrong and Holland took their forces to P.A. country and came out with an 8-0 victory. The gifted running of John Zimmerly, Randy Robinson and Ray White behind steady blocking, coupled with an aggressive, rugged defense led the Falcons as it would through the remainder of the season.

A few breaks here and there could have turned close losses to Bayside and Maury into victories. The Falcons, however, never lost confidence as they stormed into Oscar Smith the following week and smothered the Tigers 29-0. Both the offense and the defense added to the scoring while Robinson racked up 22 of the Falcons' points. The offensive line, led by Kevan Rothenberg, Greg Span and Chip Bruestle opened the holes for the Falcon runners. Fine play by Randy Robbins, Tom Chellis, Bob Needham and Gary and Bobby Merrell kept Oscar Smith off the scoreboard. The specialty teams, led by punter Jim Basnight, were outstanding.

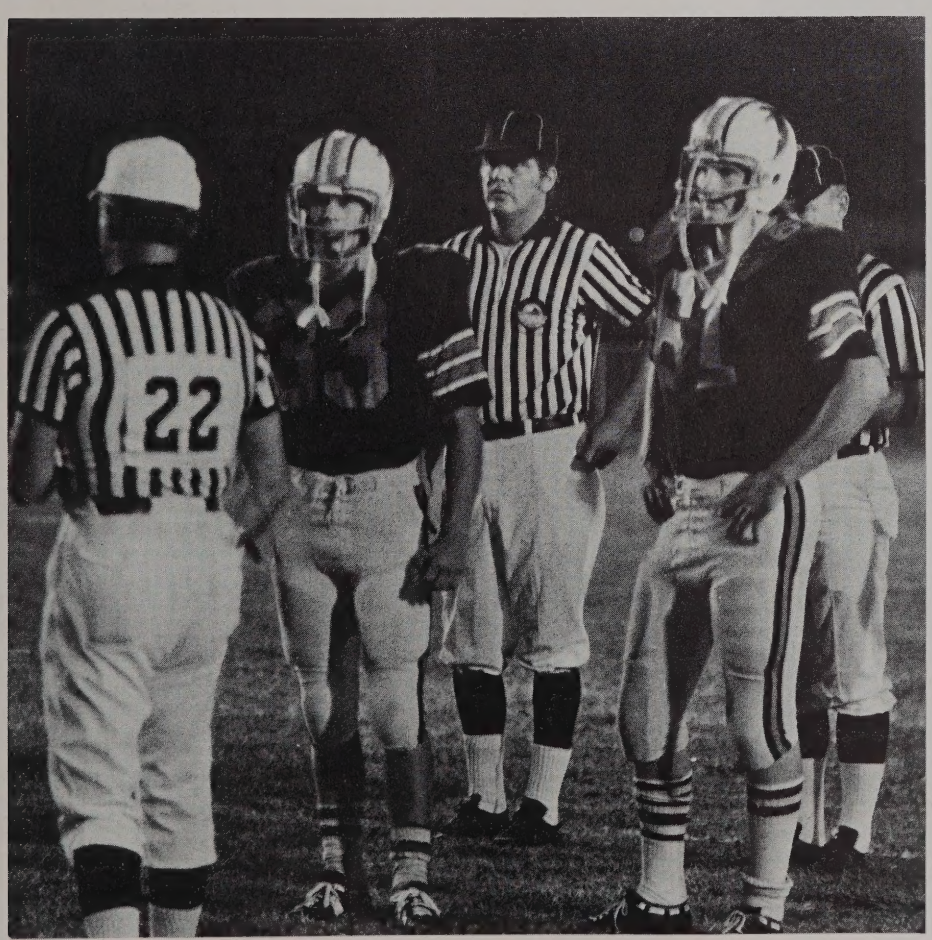
Co-Captains John Zimmerly and Gary Merrell meet at centerfield for the pre-game coin toss.



Two tough setbacks to First Colonial and Lake Taylor gained Cox the reputation of being a hard-playing, highly physical football team. The Falcons all but ruined Kempsville's Homecoming as they registered their third shutout of the year, 20-0. Clutch interceptions in key situations by the defensive secondary speared the Chiefs' passing attack.

A seven point loss to Kellam on Homecoming night was brightened only by a brilliant 85 yard kickoff return by Perry Hill. Cox opened up the next week at Met Park and rolled over B.T. Washington. Blaine Cipriano, in his first full year at quarterback, engineered four scoring drives. John Zimmerly had his best game as he galloped for 137 yards and two touchdowns. Tom Monahan grabbed two interceptions to lead the defense. That brought Cox down to one of the most breathtaking games in Falcon football history.

You could feel the excitement . . . (and the chill!) in the air as a cold weather crowd watched the Falcons take the field for the final game of the season against Western Branch. Cox had yet to win a home game and was hoping to even their season record. From the kickoff it was a hard hitting struggle. A see-saw battle had both teams moving the ball back and forth down the field. In the closing seconds, a tough goalline defense stemmed a Bruin two-point try and secured a Falcon victory in a thriller, 14-13.

Superior coaching, united team effort and enthusiastic fan support all contributed to another successful season for the VARSITY FOOTBALL TEAM.

First year coaches, talented young players and all-out enthusiasm propelled the JV FOOTBALL TEAM to a rewarding 3-2-2 season record. Coaches Seymour and Gallo devoted their time and services to the Junior Falcons in preparing them for future varsity play.

All of the hard work showed through in a crushing victory over Manor in the opener. A powerful offense, backed by a strong defense, carried the jayvees through this and the remaining six contests. Superb playing and grim determination achieved two more victories over Bayside and Lake Taylor. The season finale saw a hard fought tie with Beach rival Princess Anne. It was a fine year with finer years to come for the JV Falcons.

Long, hard hours of running countless miles proved important factors in the success of this year's VARSITY CROSS-COUNTRY TEAM. Coach Edward's striders took 8 victories out of 10 dual meets, then claimed the Eastern Regional 3rd place position behind the running of Brian Rheinhart, Tom Walsh and Steve Spartz. The Varsity climaxed its season with a strong 12th place finish from over 150 Triple A schools in the State meet.

No team could match the unbeatable JV CROSS-COUNTRY TEAM as they finished the year with an exceptional 10-0 record. The JV runners showed their stuff as they captured the city and Eastern District Championship. Outstanding performances were delivered by Tom Needham, John Landrum and Tom Murphy.

Coached by Miss Fowlkes, the girls developed their skills through long autumn practices and succeeded in placing 7 first team players in the Regional Meet. Karen Harrison, Janet Jones, Kim Litz, Kim Opalio, Kim Felthousen, Mary Pickett, and Jo Ann Gilbert each made Team I, while Amy Fisher and Renee Opalio were placed on Team II. Lynn Zimmerly received an honorable mention.

For the second consecutive year the JV FIELD HOCKEY TEAM came through the season with an undefeated record. The girls gained needed experience through the fine coaching of Miss Brewer.

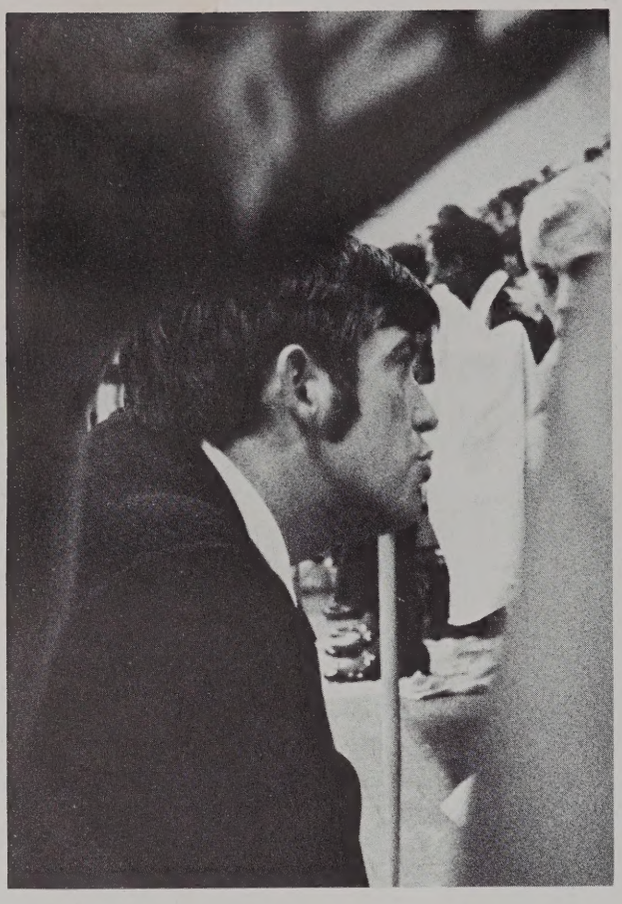
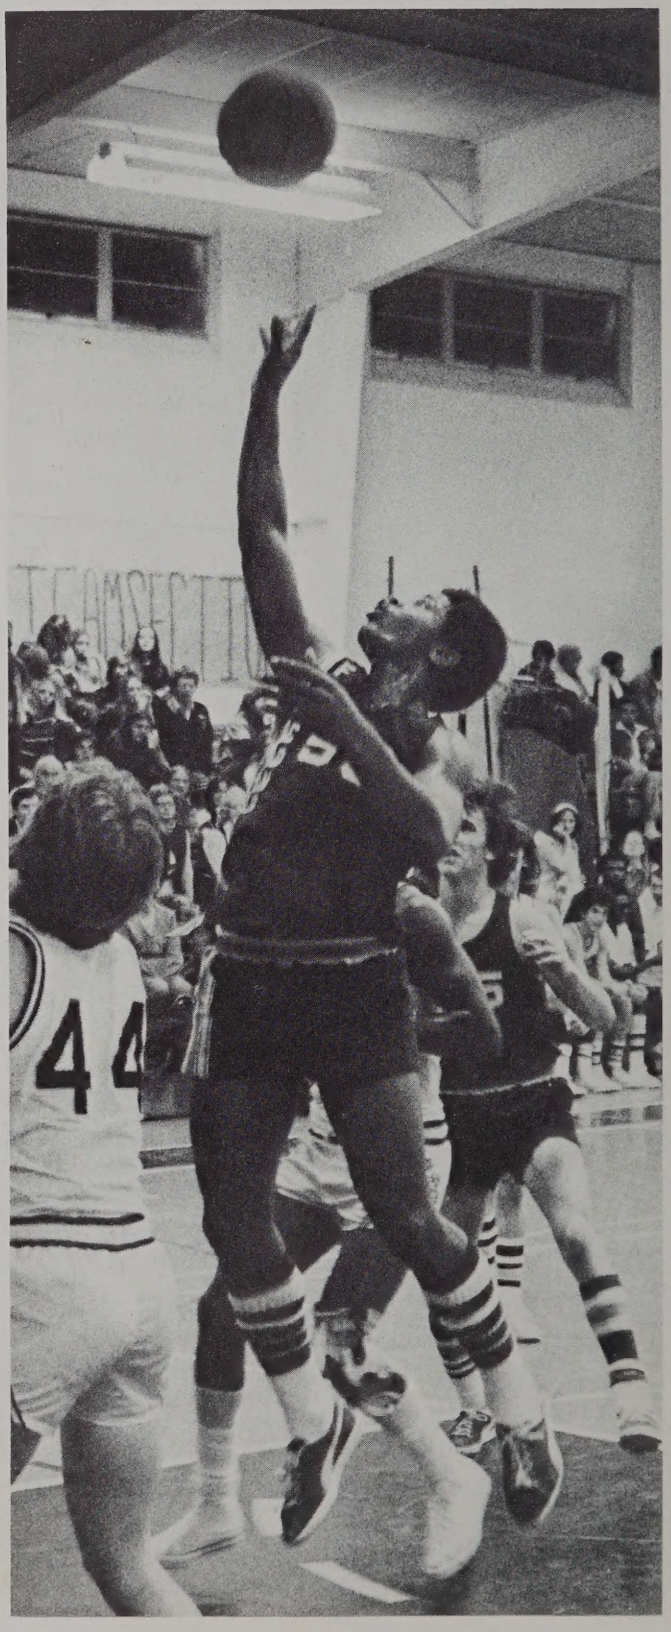
BASKETBALL



Coach Williams gives instructions to his players before the start of the game.



The VARSITY BASKETBALL TEAM experienced a long and frustrating season. For Coach Williams and his squad, the year offered many disappointments. Most of the games were very close, but when the final buzzer sounded, the Falcons usually found themselves on the wrong side of the scoreboard.

Despite their 1-8 record, the coaching staff and members of the team put in many hard hours every afternoon for four months. While everyone was at home or away for the Christmas holidays, these devoted individuals worked diligently in the Cox gym, often checking in at eight o'clock and practicing into the afternoon.

This season did have its good moments. One of them being Cox's double overtime victory over Great Bridge in the Bayside Tournament. Another was that Randy Robinson scored the 1000th point of his varsity career while at Cox. His 21 point average ranked him eleventh in the state in scoring.

Randy Robinson shows the form that made him the Falcons' leading scorer.

City Champions! That's the JUNIOR VARSITY BASKETBALL team as they posted an 8-2 record against Virginia Beach high schools. In his third year, Coach Seymour guided the team to an overall record of 11-6. Hustle in practice and hustle in the games from every player proved beneficial to the team's success. Offensively, guard Tyree Brown provided the scoring punch with a 16-point per game average. Barry Brooks added a 15-point average and controlled the boards by grabbing 14 rebounds a game. On defense, Bailey Condrey and Blaine Cipriano kept it tight around the basket. Coming off the bench, the subs gave the JVs some high-spirited added strength. One could always expect a great game from the Junior Varsity Falcons.

Talk of "She can hit from outside" and "She's tough under the basket" may sound odd at first, but not after you've witnessed a game played by the GIRLS VARSITY BASKETBALL TEAM. Falcon basketball gained a bright new look this year as the girls took to the court. Wedged between the JV and Varsity games on the usual Tuesday and Friday nights, the girls displayed their high spirit, sportsmanship, competitiveness, and determination to win. Although their initial season slate showed 3 wins and 7 losses, the team looks promising for the upcoming years. Coached by Miss Brewer, the team consisted of 15 girls from grades 10-12. Senior Co-captains Kathy Stanley and Julie Tokarz directed the team. Off to a blazing start, the girls defeated Bayside and 3 weeks later, Princess Anne. Building experience, every girl got to see plenty of action to test her skills. With an impressive 10-point victory over Bayside in the final game, the ladies finished the season as winners.

District, Regional, and State championships . . . add to that an undefeated dual meet record and it's a perfect season for the mighty VARSITY WRESTLING TEAM. The road to the Falcons' third consecutive state championship held a lot of long, tiresome hours, hot workouts and tough physical training. Practices started in late November under the supervision and expert guidance of Coach Gutermuth. Outclassing Bayside in the season opener sent the Falcon grapplers on their way. The second annual Falcon Invitational Wrestling Tournament held in the Cox gymnasium, over the Christmas holidays, found eleven Falcons advancing to the finals. After two days of competition, six wrestlers had taken first place honors: Timmy Davidson, Glenn Felthousen, Chris Conkwright, Mike Newbern, Dwight McGraw, and Bucky Gaudreau. Though many of the following dual meets were one-sided, the close contests with Kempsville and Norview did provide the Cox spectators with some exciting moments. In the Kempsville match, a clutch pin by Gaudreau sealed the Falcon one-point victory. Against Norview, Chris Yerkes' upset draw with top seeded Mark Howie turned the match around in Cox's favor. Freshman Bob Battalio's draw with 1973 state champ, Ken Nowlin, in the Princess Anne match also highlighted the season. By crushing Peninsula power Menchville in the finale, the Falcons, kept the Cox wrestling regular season winning streak intact at 40 victories. At the close of the season, Cox sported four undefeated wrestlers in Felthousen, Conkwright, Newbern and Gaudreau each with 12-0 marks. Impressive records posted by Rusty Yerkes (11-1), Peter Drew (10-2), Dwight McGraw (7-4-1), Dennis Slough (8-3-1), and Bob Stubbs (4-2-1), equally helped the Falcons to their success.

As tournament time rolled around, Cox's excellent conditioning showed through. Claiming District titles were: Conkwright, Rusty Yerkes, Newbern and Gaudreau, as Cox amassed 125 points and easily out distanced its nearest competitor Norview. Sending eleven wrestlers to Regionals, the Falcons built up the points and again won handily. In the State tournament in Fairfax, the Falcons, though they had only four wrestlers in competion, mustered up enough points to squeeze by runner-up Robinson High School. Chris Conkwright and Mike Newbern defended their titles while Bucky Gaudreau placed second due to default.

Congratulations to Coaches Gutermuth and McGovern and the Cox VARSITY WRESTLING TEAM in bringing Cox statewide recognition and its third consecutive State Championship.

Under the leadership of Coach McGovern the JUNIOR VARSITY grapplers wrestled to a perfect season. Beginning with a rout over Bayside, the Falcons roared through their season, closing with a victory over the Peninsula power Menchville. Led by Graham Hudgins, undefeated with 9 pins in 11 matches, the team was invincible. Also turning in unbeaten records were Taylor Wooten, Danny Johnson, Guy Newbury, Steve Davidson and Daryl Smeland. The JVs again this year were helped by a large pre-season turnout of good young wrestlers. With all this potential and promise still to come, the Falcon wrestling program will be strong for years ahead.

Coach McGovern and the JV wrestlers follow the action.

Some of the girls enjoy a lighter moment.

Sore muscles, bruises and Ben Gay are all familiar to the girls of the GYMNASTICS TEAM. But this and long practice hours led the team to an impressive 4-1 mark. This year the girls had to perform a compulsory routine in their event before they could go on to the usual optional routine.

Combining grace and confidence, strength and balance the girls gymnastic team had a very fine season. They started off by soundly defeating Bayside 102-89. Next, the Cox gymnasts had to wait for the last score to be tabulated to find that they had squeaked by the strong Kellam team 111.7-111.2. With the next meet came another victory, this time over Princess Anne, 115-109. Captain Gelia Lember led the team to a 118-111 win over last year's city champions, Kempsville. Only a season ending loss to First Colonial kept the girls from having a perfect season. Congratulations to the Cox gymnastics team!

As spring rolls around, the sports activities again move outdoors and nearly everyone gets that baseball fever. For Coach Fisher and the VARSITY BASEBALL TEAM it began back in late February and March while the weather was still cold and the winds were brisk. The gloves, balls, and bats stored away during the winter months were broken out to start the new season. Conditioning took priority as each player worked to get himself in top shape. Basic skills were improved through the fundamentals of fielding and hitting. Hours of infield, outfield and batting practice along with bunting, baserunning, pickoffs, rundowns and smaller aspects of baseball, all lead to that sparkling play or a timely hit that wins ballgames. Warm weather in April or May brings the fun and excitement of going to the field and watching the play of the VARSITY BASEBALL TEAM.

J V BASEBALL

Practices begun in the late afternoon hours helped sharpen and develop the skills of the JUNIOR VARSITY BASEBALL TEAM. With warm weather days more than a month away the J.V. Falcons, coached by Mr. Koeppen, managed to put in the long hours of fielding and batting practice needed for a successful season.

Outstanding players for the 1974 JUNIOR VARSITY BASEBALL TEAM were Art Motley, Steve Zimmerly, Blaine Cipriano, Tyree Brown and Dave Grafton.

Following last year's building season, the Falcon golfers looked forward to a brighter year. Practices conducted at Redwing Golf Course were coached by Mr. Williams.

With all but one starter returning, the GOLF TEAM was ready to meet the challenge of any course or opponent. Returning lettermen were Steve Spartz, Guy Newberry, and Tom Shanahan. Other team members helping to make a successful season included John Brown, Guy Turnquist, Scott Coleman, Brice Mahoney, Patty Belcher, Eddie Bourdon, and Mark Beach.

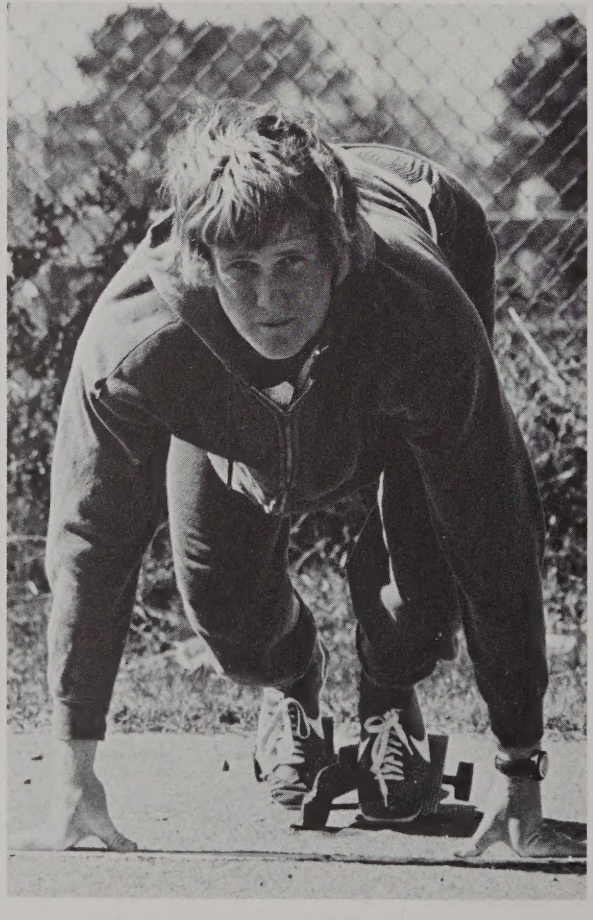
Fifth row: John Butler, Larry Sullivan, Randy Robbins, Mike Cuffee. Sixth row: Richard Paulsen, Steve Simes, Steve Murphy, Bobby Merrill.



Derrick Canaan readies himself in the starting block.

Brian Rheinhart sets the pace.

The INDOOR TRACK TEAM coached by Mr. Edwards and captained by Brian Rheinhart and Bryan Gilpin ended the '73-'74 season with a record of 1-3 and placing fourth in the District.

Brian Rheinhart holds the District record in both the 880 and the mile and placed second in the State meet in the 880 yard run. He also placed second in the 1000 yard run at the Annapolis Invitational meet, which included runners from Virginia, Maryland, Washington, D.C., and Pennsylvania.

Bryan Gilpin placed first in the long jump and second in the triple jump at the District meet. The 880 Relay team, attending the District meet, placed third.

The lack of facities caused many of the sprint events to be held in the halls. The field events took place in the gym, and the distance events were run outside, sometimes in very bad weather. Despite these handicaps, the INDOOR TRACK TEAM is still one of the finest teams at Cox.

OUTDOOR TRACK

OUTDOOR TRACK TEAM: First row, (left to right) Brian Rheinhart, Jim Whalley, Randy Latimer, Steve Davidson, Mike Newbern, Ray McDaniels, Tom Canaan. Fourth row: Peter Matthews, Randy Robbins, Nancy Diehm, Bill Diehm, Mike Spartz.

Chris Reich and Johnny Richards show good form in the hurdles.

The sport of outdoor track includes field and distance events and sprinting. Last year, the OUTDOOR TRACK TEAM had a season record of 4-1, placing second in the city and fifth in the district.

Some of the '73 team's standouts included placing first in the Sprint Medlay Relay in the Tidewater Relays, with the Mile Relay team taking seventh in the state.

Bryan Gilpin placed first in the city and district and took second in the region and seventh in the state in the long jump. Brian Rheinhart placed second in the city and district and seventh in the state in the mile and 880 yard run.

It was one of Cox's best OUTDOOR TRACK seasons.

Bryan Gilpin strains to better his long jump record.

With intense concentration, Steve Barry uses a strong forehand return

Practices in the brisk March winds began the TENNIS TEAM season. Daily running helped build the speed and stamina needed for tough competition in the spring months, while long hours spent developing the techniques of service and volley paid off as the season advanced.

This year's team, again under the excellent supervision of Coach Guttermuth, saw two members return; Steve Barry and George Sun. And again for the second season girls were allowed to vie for the six positions open in the individual matches as well as the available spots on the Doubles Team.

Individual and team accomplishments were reward enough for the 1974 TENNIS TEAM.

Cheering tryouts last year were quite exciting. We received 7 new varsity cheerleaders. Then the excitement was over and the work began. Karen Garrett was voted captain and Susie Bannerman, co-captain. Megaphones and pom-poms were issued and the problem of fitting skirts and sweaters to cheerleaders was finally solved.

During the summer, practices were held two nights a week. All of a sudden it was time for the first football game. The season started out great as the cheerleaders cheered their team on to victory. Then the last home game — Senior Night, the coldest game of the year! Suddenly football season was over and basketball and wrestling began. Cheerleaders continued to support their teams through basketball and wrestling.

Tryouts for next year were held in April.

The Student Council began the year with a theme to keep pace with a changing generation. Rather than taking matters a step at a time, the Student Council has sought to keep ahead. The year began with the crucial test of Orientation, which passed smoothly. The same energetic zeal produced a successful homecoming, followed by a new Omnibus. Throughout the year these students continued as the driving force behind many innovative projects, in the true tradition of the Cox High Student Council.

What is Executive Council? It is the silent coordinating force behind the Student Council. It is a dedicated group of individuals, consisting of Committee Chairmen, class presidents and vice-presidents, and the SCA officers, whose efforts keep the entire SCA flowing smoothly all year. The enthusiasm exhibited by these people remained high through many periods, when school spirit seemed lacking. Truly, this energetic group of leaders is a vital part of the Cox High SCA.

COXSWAIN

There are many things that make up a school newspaper besides people and articles. It takes a lot of hard dedicated work, and long hours of trying to meet deadlines. It takes opinions, objectives, outlooks, reporters, news, attitudes, and students. The major goal of the journalism classes is to work together to put out an informative paper of which the school can be proud.

The editors' work began last August and it ended only as the books were distributed in June.

CONCERT CHORUS

Concert Chorus is one of the most enjoyable courses offered at Cox. The joy of blending bass, tenor, alto, and soprano voices into beautiful songs is their unifying goal. The long hours of practice for concerts seem well worth it, upon receiving a standing ovation. Concert Chorus has participated this year in their traditional concerts, appearing at the PTA and the Christmas assemblies.

From "Arsenic and Old Lace", the Senior class play, to Story Theater for Omnibus, to the spring musical "West Side Story", the National Thespians have provided the students of Cox and the public with exciting, professional performances. Cox High School is certainly proud and fortunate to claim such a talented group of individuals so ably directed by Mr. Garrett.

There were practices throughout the summer and fall with the band. The girls listened to Stephanie teach the routines and managed to drop Nancy on her head at practice. Everyone made new uniforms. The Flag Corps originally started with sixteen girls and increased to thirty-two by the end of the season. Charm pop sales gave a boost to the treasury. Banners and streamers added to the spirit on the band busses heading for away games. Of course, it was not all practice with no fun. After several games there were unforgettable slumber parties where no one dared to go to sleep. There were trips to Indian River, Richmond, and Cary, N.C., supported by Lynne's undying spirit. When all the members knew their routines, and all uniforms were ready, the Flag Corps filed onto the football field with a final routine.

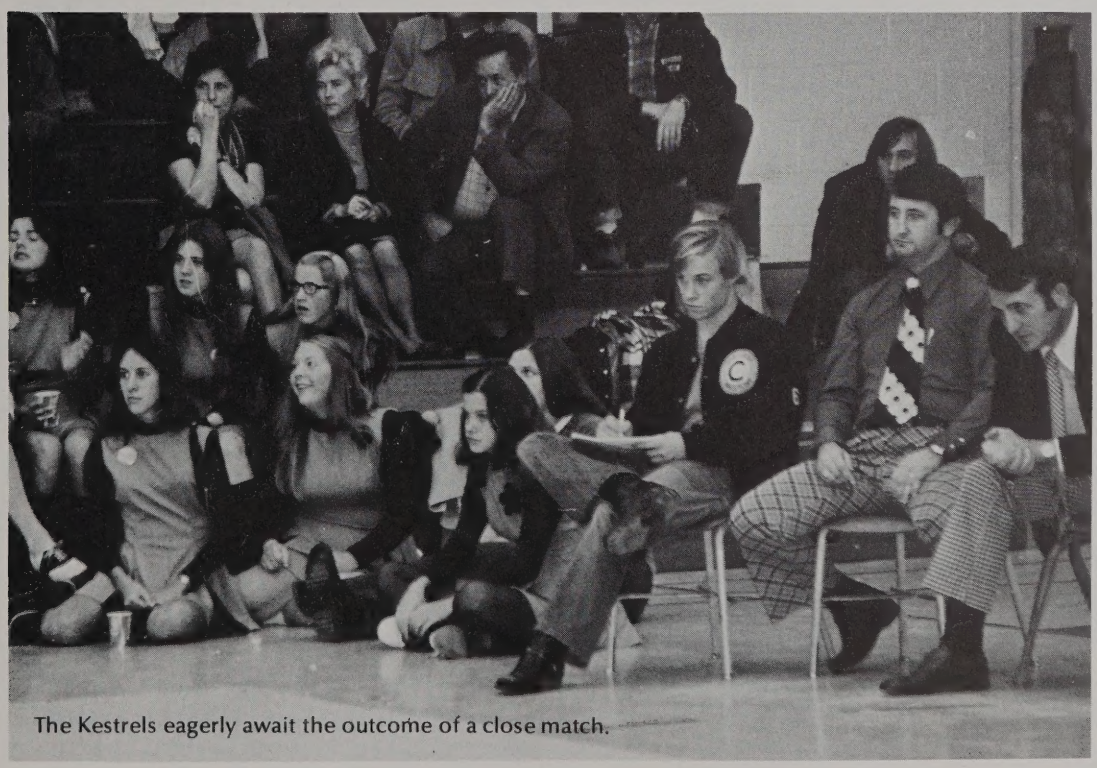
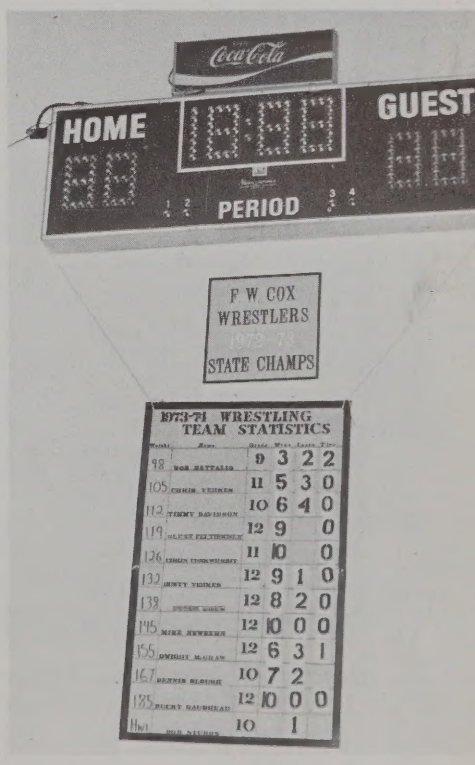
Neither cheerleaders nor golden elves, but a group of sixteen girls who do various projects for the wrestling team. Kestrel is a word which means "falcon." In its second year as an organization, the Kestrels have a growing importance at the wrestling matches. They give cokes and oranges to the wrestlers, and the "Happiness is State Champs" buttons which they sold could be seen on the jackets of many fans at State. The girls became excellent ladder climbers while changing the numbers on the Wrestling Team Statistics board. The Wrestler of the Week board with the wrestlers' pictures was at all home dual meets. The Kestrels were hostesses at the Falcon Invitational Wrestling tournament held during Christmas vacation. With a great deal of spirit the Kestrels cheered the wrestlers on at dual meets, district, regional, and State.



The Kestrels eagerly await the outcome of a close match.



KEY CLUB

The Key Club is a young men's service club which is sponsored by the Kiwanis Club and is committed to enriching man's existence by insuring tomorrow and comitting personal action as a prelude to progress. Its goal is to develop initiative and leadership while preparing for useful citizenship, giving human primacy to the human and spiritual rather than the material values of life. All of this is accomplished by way of such programs as: the buddy program with both underprivileged children and senior citizens; operation "Drug Alert" in cooperation with the sponsoring Kiwanis Club; and other projects, both on their own and with local Kiwanis Clubs.

KEY CLUB: 1st row: Rick Rowland, Ray White, Darrell Bryan, Mitch Ackley, Scott Barcus, Frank Warren, Bobby Tarrant, Pete Monoso 2nd row: Rob Waddell, Mike Beswick, Bill MacKay, Steve Slough, Jeff Snyder, Bobby Needham, Micky Hurst, Peter Drew, Guy Turnquist, Ron Olsen, Mr. Gary Hudson, Sponsor. 3rd row: Pete Mathews

CHESS CLUB: 1st row: Joe Simas, Craig Muller, Bob Miller, Ron Olsen, Karl Schwamb 2nd row: Guy Turnquist, Donald Kendrick, George Sun

Participation and enthusiasm along with sportsmanship and skill are the talents required of a good chess player. If a person does not have patience, thought, and concentration, he or she would not even last through one chess game. The enjoyment of victory, the challenge of the game, and the dedication and service has intrigued young people into the Chess Club.

The Chess Club gives interested people a chance to enjoy a challenging sport and at the same time participate in club activities. The unity of the club provides as much interest as actual developing of chess skills. Chess can be a fun game because the player not only plays against his opponent, but plays against himself! The president of the club is Carl Shwamb, and the secretary is Guy Turnquist.

KOX

K.O.X. is a small service club whose membership has increased from the five or six active members of last year's club. This year K.O.X. sponsored a car wash and a ping pong tournament among other projects. With strong leadership and group co-operation they hope to remain a helpful club to the school and community.

All French students and other interested persons are invited to join.

AMICITIA

Amicitia Y-Teens is a chapter of the YWCA at Cox. It is a word that means friendship; a service club for girls who want to give up a little of their time to help others. A cookout was held on the beach for new members. The girls had a Halloween party for the orphans at St. Mary's Infant Home. Amicitia and the Y-Teen club at Princess Anne worked together at Christmas to give a tree, food, clothes, and presents to a needy family. A Sunday morning was spent at Rock Church followed by food at the Pancake House. The parking lot was cleaned. There was a ski trip to Massanutten Ski Resort. An Easter Party was held for kids at a Community Center. Amicitia is kindness, generosity, and concern for others less fortunate.

AMICITIA: 1st row: Casey Rothenberg, Carrie DeVenney, Nancy Diehm, Julie Marcell, Elizabeth Tabot, Kari Eikanger, Irene Trayer, Ginny Fiore, Cathy Holman, Sissel Iverson, Nina Eikanger 2nd row: Miss Gordon, Jane Leigh

A zeal for horsemanship is what members of the Equestrians have in common. When the weather is agreeable, they can be found astride several of the horses at the Oceana stables. The Equestrians do enjoy other activities besides horseback riding. Their major money-raising activity this year was the successful "All you can eat" evening at the Pizza Hut.

The Girl's Athletic Association began the year with a leaf rake. The next project was a Hockey game against the Key Club. Unfortunately, the Key Club proved that men are still stronger than women, defeating the GAA 3 to 1. Collecting pet food for the SPCA and other projects kept GAA busy for the remainder of the year.

FALCONETTES

A young club at Cox this year, the Falconettes are taking the place of the Pep Club. They are a group of energetic girls doing their part in promoting school spirit. The club is also in charge of selecting, at the end of each year, the school mascot, the Falcon.

COX MEDICAL ASSOCIATION

The Cox Medical Association, sponsored by Mrs. Elizabeth McBride, creates incentive for the future leaders of the Medical World. CMA has heard speakers from many of the medical fields. Its members have visited the Medical College of Virginia and the Portsmouth Naval Hospital. One of their Community projects included a Blood Mobile Drive. They also prepared the Kidney Foundation Kits that were used to collect money for the foundation throughout the Tidewater Area. CMA has held many money-making projects this year. Money raised by selling donuts, pecans, fruitcakes and stationery allowed the club to give away a scholarship, make a donation to the Cardiac Care Unit, and hold a banquet for CMA's members.

YOUNG LIFE

Members of Young Life participate in a song.

Members engage in an involved discussion.

Young Life is based on relationships and communication which insists on the worth of every individual. It accepts a high school person wherever he is. Each week during the school year some 75,000 young people are involved in Young Life clubs. Cox students meet in one-hour living room sessions in the home of one of the students each Monday night for fun, singing, and a talk by the adult leader in everyday language about the Christian faith and its relationship to today's struggles. Students are free to reject, to question, or to accept what they hear. They are never coerced.

This year Soccer, a fast moving game of endurance and skill, continued to grow as a competitive sport at Cox. Although soccer has been played here at Cox for three years, this year was especially significant in that the Falcons competed against the greatest number of teams ever. Combining a swift pentrating offense, with a stingy defense, the Falcons registered a successful season. Next year, the team hopes to have soccer made into a varsity sport at Cox.

SIGMA ALPHA BETA

Sigma Alpha Beta is a service club active in the school and community. Aiding the Central State Mental Hospital at Christmas and Easter has been one of the club's most successful projects. Baking birthday cakes for teachers, donating pumpkins from the Pumpkin Contest to the local hospital, and other projects kept involved members busy. The club received terrific support this year from their dedicated sponsor, Mrs. Longworth.

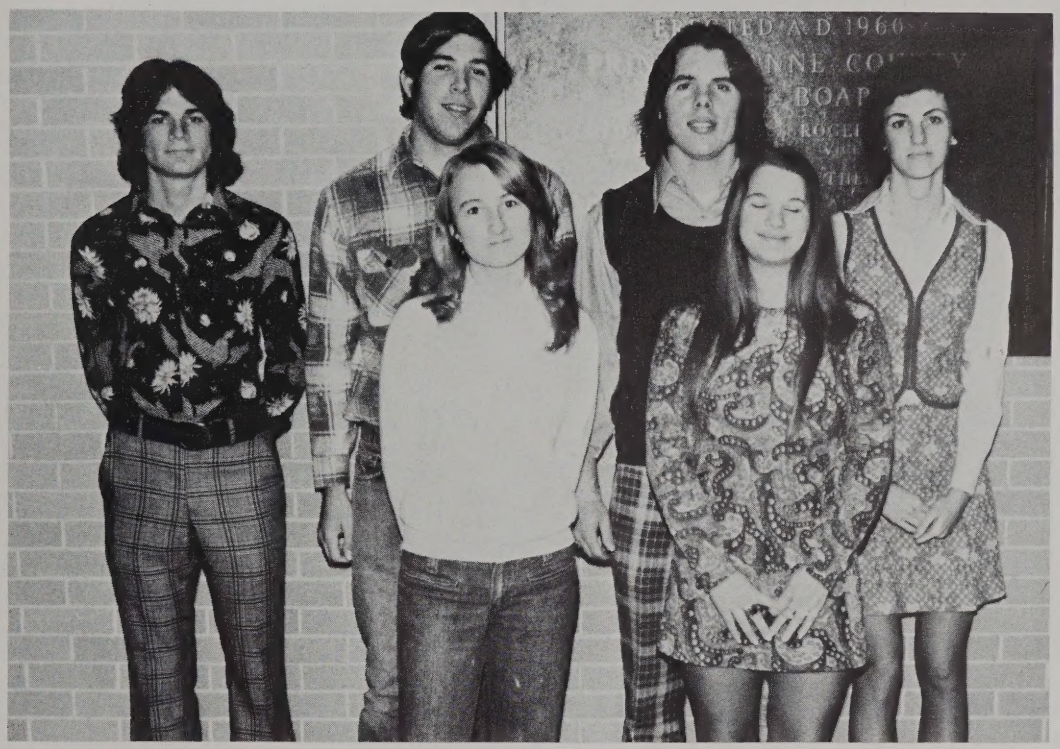
Once again, a unique learning experience was offered at Cox this year. Thirty Cox students had the opportunity to visit our sister school in Hershey, Pennsylvania for one week, and to host Hershey students here in Virginia Beach for a week. Not only did the visiting students receive extensive tours of a new city, but they also had the opportunity to see how other school systems operate. Perhaps just as important as these, the entire experience was enjoyable and exciting, from selling trees and pizza to writing letters to a new friend, comparing pictures, to the bus ride home. To all who participated, this was a truly enjoyable experience.

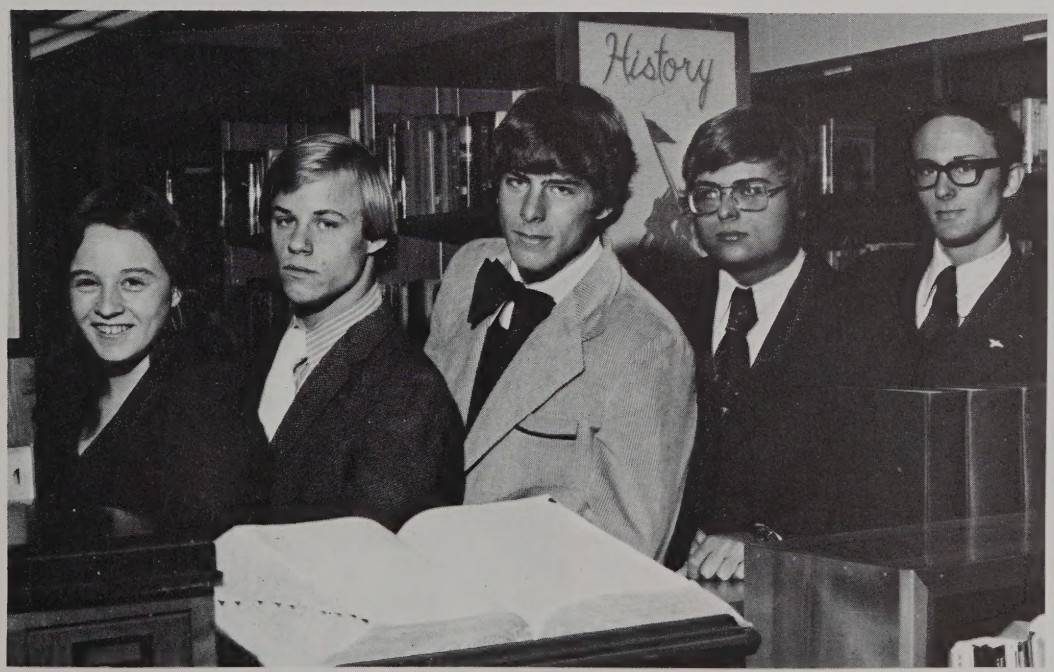
GIRLS' AND BOYS' STATE



BOYS AND GIRLS STATE: 1st row: Susan Henley, Linda Hall 2nd row: Brian Rhinehart, Peter Mathews, Ray White, Sally Watson

Girls' and Boys' State is a summer workship concerned with the basics of the American governmental system. Composed of six rising seniors, 3 boys and 3 girls, from all schools throughout Virginia, its aim is to improve leadership and decision making through actual participation in a mock-city government. These talented individuals share the experience with others at Cox through their newly-acquired leadership skills.

SCHOLASTIC TEAM



SCHOLASTIC TEAM — FIRST SEMESTER: Kathy Henley, Graham Hudgins, Bailey Condrey, Bill Reece, Jack Wright

The Scholastic team members are chosen twice a year by the **Ledger-Star** for their outstanding scholastic performance. Composed of six talented individuals from grades 10-12, the members receive public recognition in the **Ledger-Star.** In addition, one senior is picked for the All-Tidewater team, a prestigous group of the top 26 students from Tidewater schools.

NJROTC

DRILLTEAM GIRLS: Mary Ann Dubreson, Penny Turnquist, Irene Trayer, Tricia Trayer, JoAnne Banks

The NJROTC is a program of self-development and opportunity for young men and women. Cadets engage in exciting and challenging courses with a principle goal of developing citizenship, leadership, teamwork and high standards of personal conduct and appearance. It is an extra step ahead toward eligibility for special privileges and programs with the Navy, and it leads to valuable training in space age subjects. Extracurricular activities include field trips, cruises, drill teams, color guards, rifle teams and competitions with other units.

This year cadets visited NAS Oceana, NAS Norfolk, NOB Little Creek, the USS America and the USS Spartenburg County. They marched in the Oyster Bowl, St. Patrick's Day and Armed Forces Day Parades; they performed at Scope, MacArthur Memorial, Western Kentucky University, and with the Cox school band. The social highlight of the year was the annual Military Ball.

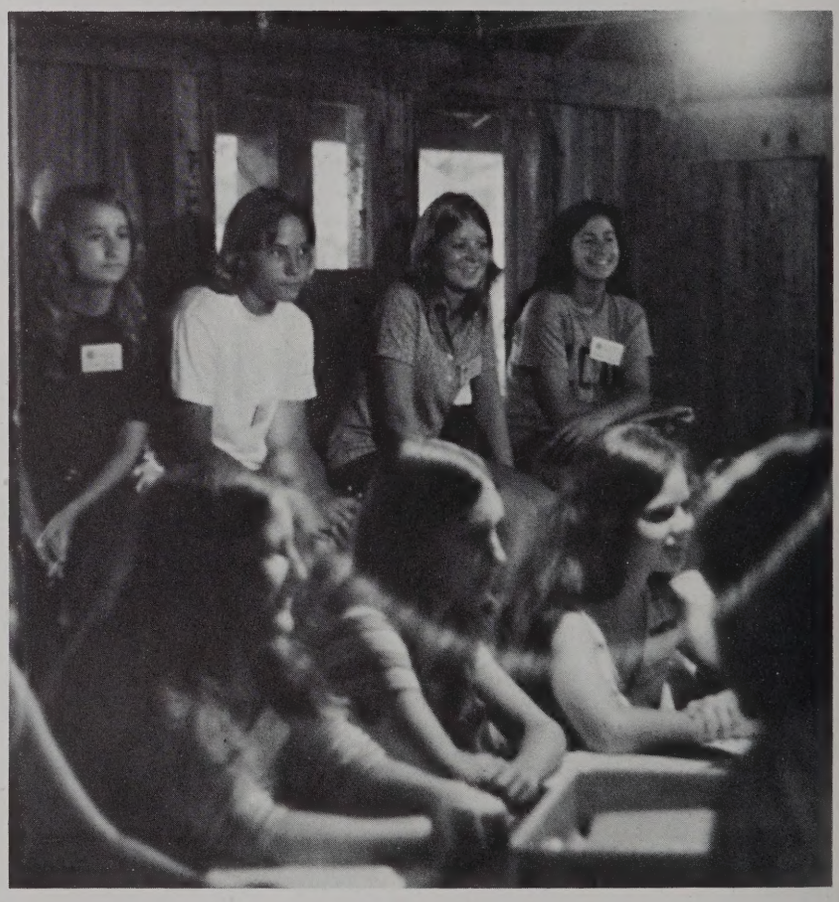
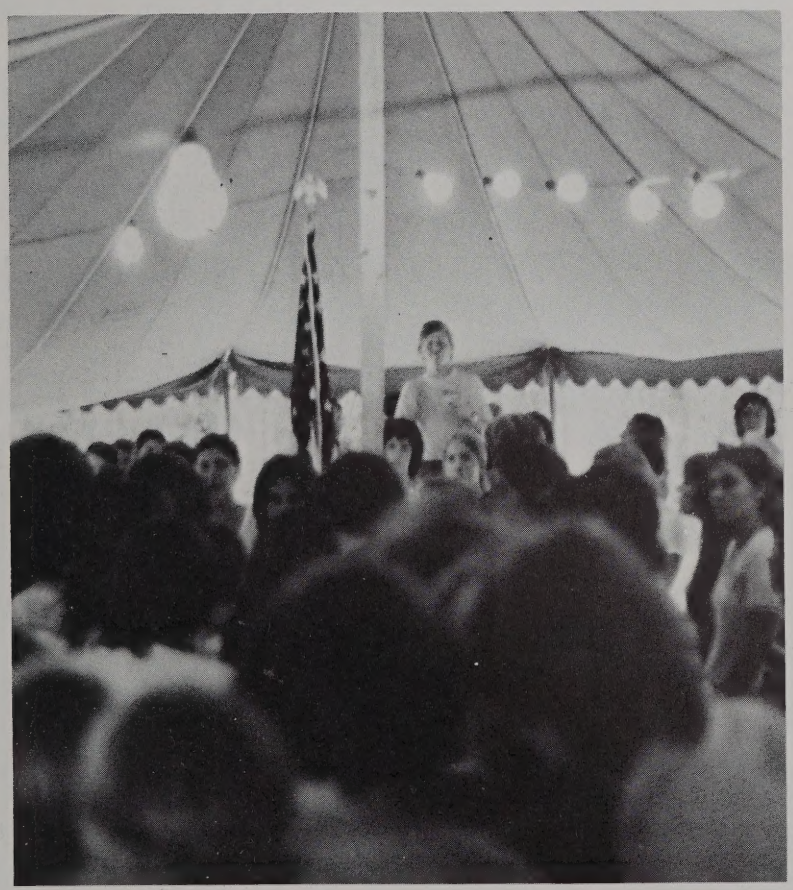
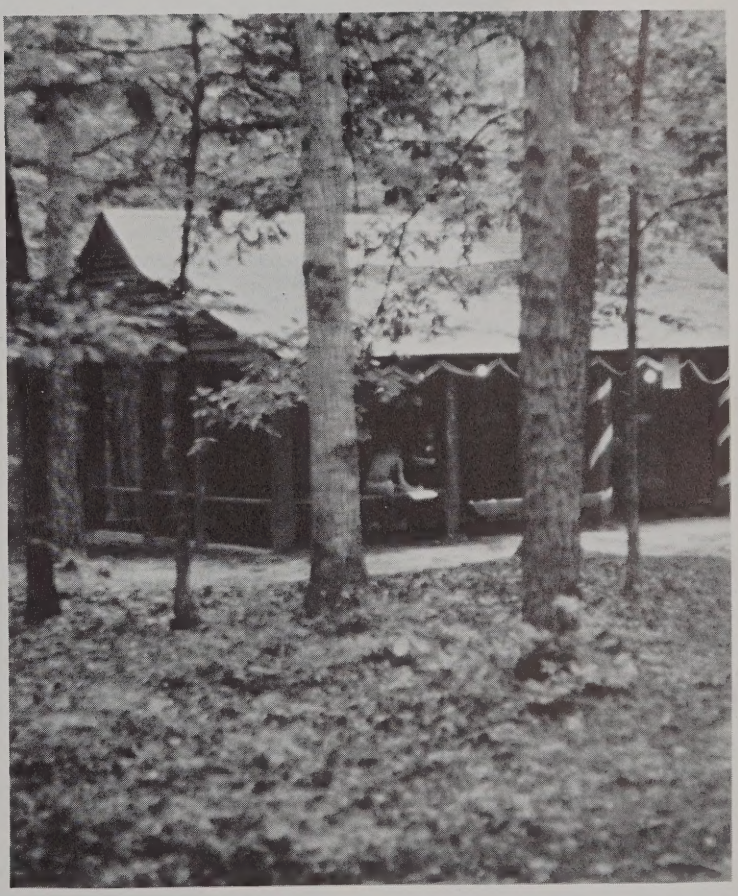
WE SHALL PASS THIS WAY

The 8th Annual Frank W. Cox Summer Leadership Workshop was many things. It started in May with Mr. Jerry F. Deviney and Miss Emily Tilley meeting with 25 Cox graduates and working throughout the summer planning the week-long workshop. It was a week of learning and fun in the beginning of August in Pocahantas State Park. But most of all, workshop was comradeship, spirit, and an overall feeling of school admiration. Workshop was many things to many people but as the theme states "We shall pass this way but once." The delegates of workshop experienced something very rare and precious but this will live on only in their memories.



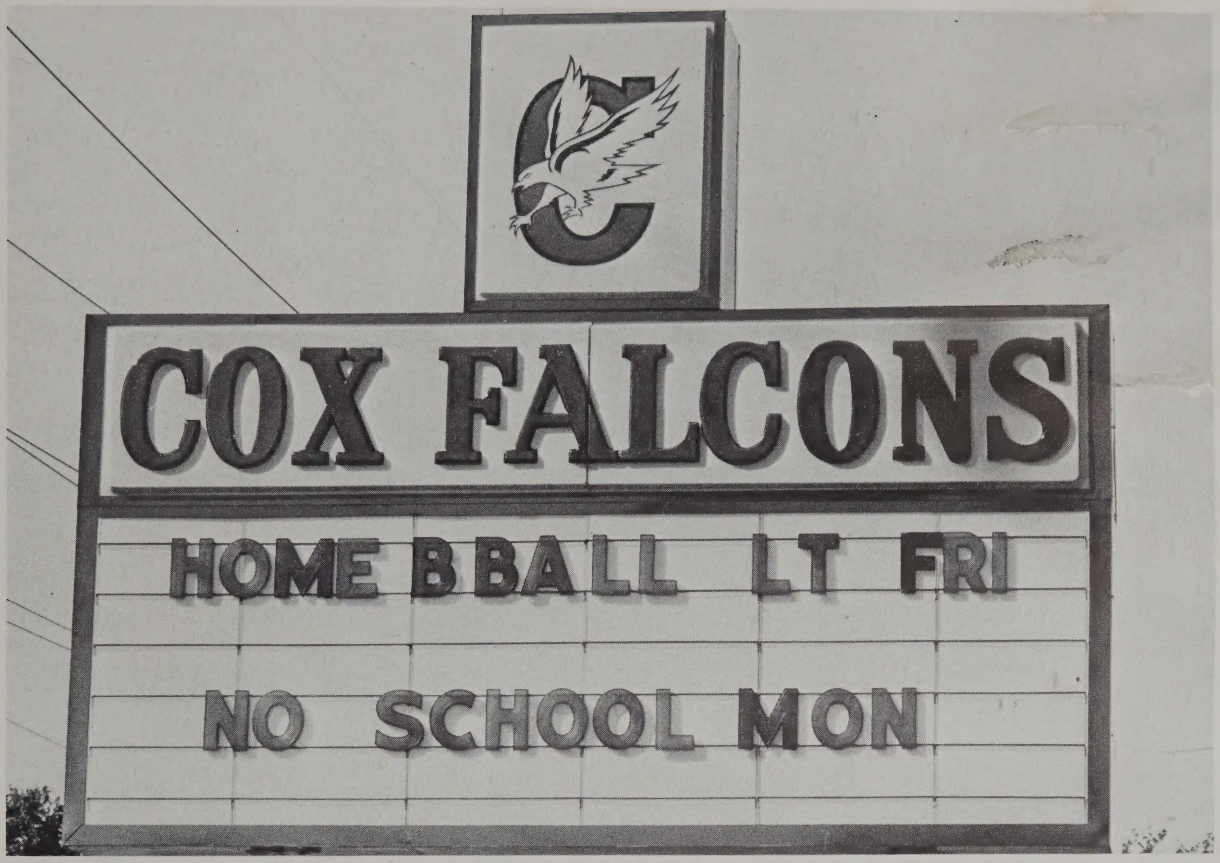




BUT ONCE

BAND TRIP: RICHMOND

The Band of Cox High, well known for its concerts, proved itself as a Marching Band as well this season. Journeying to Richmond, the marching Falcons took third overall in statewide competition. Drum major Karen Cooper's performance won her first place. The band has also participated in contests at Cary, N.C. and Winchester, Virginia.



MARQUE

After a year of effort and money-raising projects, the students of Cox were surprised to discover that a marque had been purchased by the Administration with the help of the SCA. The marque has definitely been a plus to the community and our student body as it informs everyone of the dates of activities and important events.

The marque comes under the care of Pete Watson and the Building and Grounds Committee of the SCA.

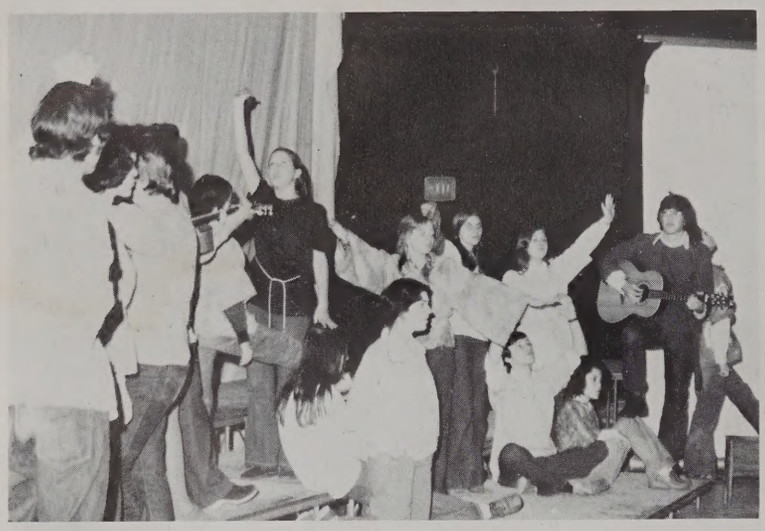
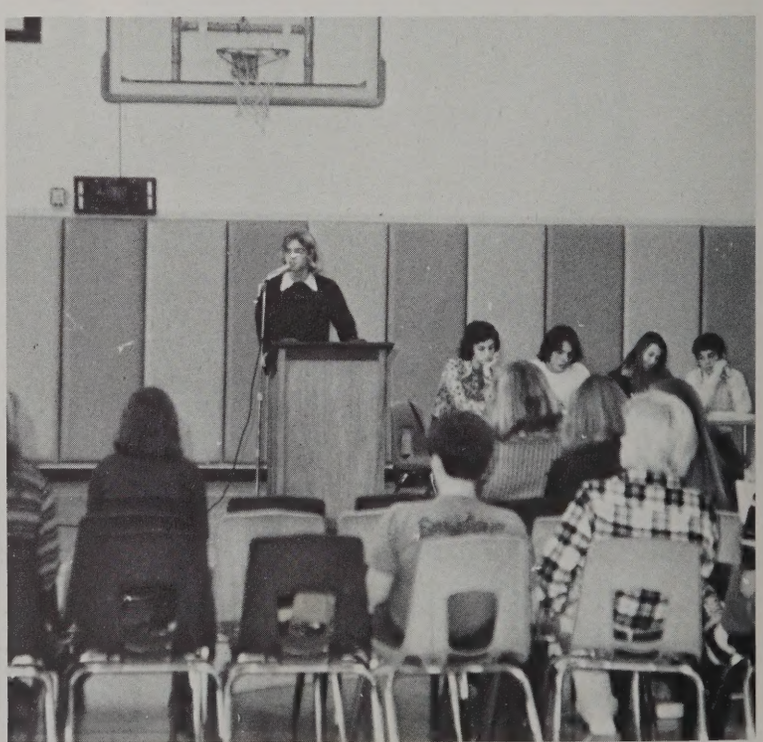
OMNIBUS



A Ride on the Omni-bus

Round and round, the wheels go round. It's the week before Christmas. Turn the radio up! I wonder how they make a radio show. A news flash! WBUL announces the Santa Clause Conference at the North Pole. Where are we now? This must be the Soviet Union. See all the onion top buildings. Back to the U.S. now. What are all those kids playing? It must be hockey. Ouch, watch that stick! Is that a riot over there? It looks like a man being mugged by a group of women. That's what you get for liberating women. Round and round the wheels go round. Is it a navy plane? No, it's a Christmas Comet. Round and round Crash! An accident! Are you okay? I'm dizzy, could I be in Storybook Land? Hurray, here comes the Rescue Squad, we're saved.

Omnibus — everything from the sky to the ocean depths; World War II to the Energy Crisis, Scotland to the Virginia Beach Boardwalk. But whatever — a most unusual school week.



ARSENIC & OLD LACE

by JOSEPH KESSELRING

On March 16 and 17, the Cox High School Drama Department presented Joseph Kesselring's mystery / comedy **Arsenic and Old Lace.** The Play was sponsored by the Senior class as a money-making project, as well as a worthwhile tradition grossing clear profits exceeding $220. Not only was the play a financial success, but also an additional credit to a long line of excellent stage performers who received standing ovations both nights. The play's director, Mr. James E. Garrett, and Mr. Boyll, technical advisor, were the central engineers for the entire presentation. Maggie Aubert was a patient and understanding student director.

Colleen Fleitz and Zoe Wages portrayed two charming old ladies with a corpse in their window seat (Rob James). John Blair was Mortimer Brewster; Lori Parks was Elaine Harper; Bill Britton played Teddy Brewster; Kevin Duff was Jonathan Brewster; Tripp March was the Rev. Dr. Harper; Officers Brophy and Klein were played by Steve Barry and Bobby Henegar; David Luoto portrayed the intended victim, Mr. Gibbs; Richard Marlow played an eccentric Dr. Einstein; Kim Parker was Officer O'Hara; Robin Dickson portrayed Lt. Rooney; and Dickie Bradshaw as Mr. Witherspoon, concluded the cast.

Bill Britton designed a uniquely attractive and appropriate set, while Miss Susan Lohr and Mrs. Marsha Olson carried out important duties concerning costumes and art design.

The night of May 10, 1974, will long be remembered by the Senior Class as the night of Senior Prom. In keeping with the theme of "Days of Wine and Roses," it was a misty, dreamy night, played against a background of flowers, and music by "Leaves of Grass."

The months of hard work was obvious at a glance. The spring-like setting produced by carefully-made decorations, and the dizzy whirling effect of a thousand silver lights could not have come about without the devotion of Peggy Brown and the Prom Committee.

CHEERLEADERS

"The Big Green Machine is on the Move" and is driven by the enthusiasm of the cheerleaders. From football through baseball seasons, the cheerleaders provide the driving force behind school spirit. Making countless banners and selling buttons are just some of the ways they show their endless devotion to sports.

JUNIOR CLASS TALENT SHOW

An entertaining evening was enjoyed by all who attended the "Ted Cracked Amateur Hour," this year's Junior Class Talent Show. The great variety of the night included a magician, a mimic, poetry, and all kinds of music.

Emceed by Richard Marlow, the show progressed smoothly through the various acts, with only minor problems occuring with sound equipment and disappearing pants.

Last year's winner, Zoe Wages, appeared to sing several numbers to the delight of the audience. The evening came to a close with the announcement of Mary Wallace as first place winner for her performance on the piano. Second place went to Bryce Mahoney for his guitar playing and third went to Mark Lefler, the magician.

West Side Story

The 1974 Cox High School musical, **West Side Story,** (lyrics and music by Stephen Sondheim and Leonard Bernstein) was an additional credit to the school's dramatic and musical reputation. The play itself, based on the novel by Arthur Laurnets is a wonderfully emotional story of the devotion of love amid tragic social circumstances; **West Side Story** is often referred to as a musical version of Shakespeare's **Romeo and Juliet.**

Rehearsals for the musical began in late February when Mr. Garrett became not only director, but choreographer as well, since the New York rented scripts did not include specific directions for dance scenes. Between sore throats and the flu, Mr. Boyll taught a more than forty member cast a number of far-from-easy songs. Laura Soles and John Blair enacted the leading roles as lovers, Maria and Toni, with Richard Marlow playing Riff, the leader of the Jets and Toni's best friend. Kevin Duff played the part of Bernardo, the leader of the Sharks (Puerto Ricans) and Zoe Wages played his very "American" girl friend. Other principal parts included Gail Space, as Consuel, Karen Blume as Rosalia, Rob James as Baby John; and Tripp March as Chin. Sharon Roberson was an efficient, as well as patient, student director, with Sally Watson following up as business manager. Credit also goes to Miss Lohr and Mrs. Olson for their work with costumes and art design.
